

# Avon Lake Father/Son Football Club

*Proudly Supporting the Avon Lake Football Program*

The Avon Lake Father Son Football Club's mission is to enhance the Avon Lake Football Program experience for all involved with special emphasis on our sons in the program. The club will create and promote programs that will enrich relationship-building skills that ultimately support the goals of the football program. Our success will be measured by our son's development in the areas of academics, athletic growth, and realization of their responsibility to the greater community.
